Hi Kelly!

Attached is the document I mentioned on the phone. It discusses some data collected from Captina and Piney. I was wondering what you think of some of these arguments relating to water quality in the creeks. Maybe we can set up a time to talk on Monday when you are back in the office. I have conflicts in the morning but am free in the afternoon.

Let me know if you would like to see any of the referenced appendices.

Have a great weekend!
